

GREAT SCHOOLS ARE
HELD TO GREAT
EXPECTATIONS.

Accountability Supports

- ✔ **Accountability System Supports.** SchoolWorks helps create and implement comprehensive oversight systems that establish clear, transparent expectations for schools and hold them accountable for action.
 - ✔ *System Design:* Development of rigorous oversight and accountability processes, tools, and rubrics that incorporate quality control measures.
 - ✔ *System Upgrade:* Review and improvement of oversight processes and tools to tighten methodology and support increased consistency and efficiency.

“SchoolWorks helped us take what is in the law and create a functioning and dynamic system in a relatively short amount of time.”

— Lisa Medler, Colorado Department of Education

- ✔ **Authorizing System Supports.** SchoolWorks helps manage and execute decision-making processes for both application evaluation and charter renewal.
 - ✔ *Outsourced Management:* Oversight and execution of processes in accordance with a defined policy/protocol.
 - ✔ *Task Support:* Application review, capacity interviews, renewal site visit facilitation, etc.

🍏 Why choose SchoolWorks?

Trusted experience. SchoolWorks has developed accountability systems for multiple State Departments of Education and large districts. The company’s work in support of authorizing spans half the States that have enacted charter school laws.

👥 We build your capacity.

Across every scope of work, SchoolWorks team members build capacity through collaboration. SchoolWorks also offers on-site or virtual technical training for authorizers based on NACSA’s Principles & Standards and Essential Practices.

🔌 Getting started is easy.

Talk to us. A half-hour call with our team can help us understand your needs and determine how we can best provide support. Email info@schoolworks.org to get started.
